VETPod Package Features

VETPod Media Player

VETPod PC internet connected to schedule, store and play your programme.

Annual Subscription

Annual subscription service to The Vet Channel provides comprehensive access to all media services and customer support necessary for your practice.

Vet Channel Media Web Service

Full access to The Vet Channels' online veterinary media library to create your personalised programme and to include your own logos, branding and photos.

VETPod User Training

As a VETPod subscriber you will receive 'one to one' telephone training for everything you need.

Practice Information

Your practice information displayed into a moving poster presentation displaying your staff information, opening hours, services and emergency procedure.

10 Practice Promotions

Each VETPod package is inclusive of the opportunity to include customised/bespoke media content created by our in-house design studio within your practice programme.

VETPod Warranty

VETPod Solo gives you a 3 year return to base warranty. Whilst VETPod Partner gives you a lifetime VETPod warranty.

Customer Support Helpline

Full telephone and online customer support available during office hours Monday to Friday.
